Unique Occasions at Loversall Limited is proud to hold a license for couples to legally get married in the Barn only. To proceed with a Civil Ceremony a description of important information and instructions has been listed below which is also the official stance from the Doncaster local registrar office;

Couples need to coincide booking with Unique Occasions at Loversall Limited and the Doncaster local registrar office to ensure that they have availability on the preferred date. Doncaster Registrar telephone number is 01302 735222 or email registrars@doncaster.gov.uk.

The above fee of £500* to Unique Occasions at Loversall Limited is in addition to the fees payable to the Register Office, however the price is included in the price of any Wedding Barn & Courtyard Marquee package.

The Doncaster Register Office undertake marriages at 1pm, 3pm and 5pm on a Saturday and only have 4 slots per hour. A couple can book this as far in advance as they wish with the Doncaster Register Office. The provisional booking fee for the Register Office is £25.

Once the couple are within 12 months of their ceremony date, they have to go through a legal process called 'Notice of Intention to Marry' at their local Register Office (dependant on where they live). This is a process to prove their nationality, residency in the district where they 'Give Notice' and that they are legally free to marry. Further information regarding this can be found at <https://www.doncaster.gov.uk/services/births-marriages-deaths-nationality/registering-a-marriage>. The fee for this is £35 each. The final ceremony fee for the Registrar is due 4-6 weeks before the date.
